

THE FAB GUIDE TO FAIRTRADE SHOPPING in BIGGLESWADE

When you buy a product carrying the Fairtrade logo, you know that producers in the developing world receive a fair and stable price, which covers the production costs and includes a premium to be reinvested either into the business or into social and environmental schemes among the community.

Fairtrade Association Biggleswade, FAB, is a group of people who want to see more availability and awareness of Fairtrade products.

WHY FAIRTRADE?

When you buy products with the FAIRTRADE Mark, you support farmers and workers as they work to improve their lives and their communities. The Mark means that the Fairtrade ingredients in the product have been produced by small-scale farmer organisations or plantations that meet Fairtrade social, economic and environmental standards. The standards include protection of workers' rights and the environment, payment of the Fairtrade Minimum Price and an additional Fairtrade Premium to invest in business or community projects.
