

The F A B Guide to Fairtrade shopping in Biggleswade

When you buy a product carrying the Fairtrade logo, you know that producers in the developing world receive a fair and stable price for their produce, which covers their production costs and includes a premium to be reinvested either into the business or into social and environmental schemes among the community.

This Guide to Fairtrade Shopping can be found on www.fabweb.org.uk. We at FAB (Fairtrade Association Biggleswade) will do our best to keep it up to date. However, should you find incorrect or out-of-date information on it, please do let us know on FAB@awdansey.co.uk.
