A Fairtrade Town is a community in which people and organisations use their everyday choices to increase sales of Fairtrade products and bring about positive change for farmers and workers in developing countries.

To become a Fairtrade Town, the local council must pass a resolution supporting Fairtrade, and agree to serve Fairtrade tea and coffee at its meetings and in its offices and canteens.

"We the undersigned petition Biggleswade Town Council to pass a resolution that helps Biggleswade to become a Fairtrade Town"
